

Stage 03 (C Bay) – MAKE EVERY SHOT COUNT

Scenario – Accuracy standard. Shooter will engage 6 targets with 2 rds each.

Procedure – Shooter at P1, 10 yds from targets, loaded firearm in holster, hands at sides. At the signal, shooter will draw and engage each target with 1 rd to the body and 1 to the head (there must be 1 of each). Hard cover conceals all of the targets but the two -0 zones on each target. Any shot in the black will be scored as a miss.

Notes – A reload is necessary for all shooters and it will be done on the clock. A procedural will be assessed for extra shots on targets.
