

Stage 08 (B Bay) – RUN AND GUN

Scenario – You hear shooting down your block in the alley and look out the door to investigate. As you do, a gang starts coming over the fence into the backyard.

Procedure – Shooter at P1, facing the wall, loaded firearm in holster, hands at sides. At the signal, shooter will draw and engage all

targets in strict tactical priority. To keep shots off wall and props, all targets must be engaged from cover, from shooting positions P1-P6 only.

Notes – As cover is available at all shooting positions, shooter may not show him/herself to any target, engaged or not, with an unloaded firearm.
