

Stage 09 (C Bay) – MOZAMBIQUE, 5 STRINGS

Scenario – Mozambique Standard, five strings of increasing distances.

Procedure – Shooter at P1, firearm loaded hands at sides. At the signal, draw and engage T1 with 2 rds to the body, and one to the head, then reholster the firearm in preparation for string two. Shooter will back up to the next shooting position at 4 yds. At the signal, shooter will engage a different target. Repeat this procedure for each of the subsequent strings from increasing distances. An extra rd in the head will not count as a body shot. Shooters may reload off the clock, between strings.

Notes – The time plus penalty on the first string will be used to determine the “Quick Draw” champion. ROs, be sure the correct time and penalty for this string are in the correct places on the score sheets.
